## 1.1 Sales Questions

- ✓ The existing sales query functionality has been expanded to allow more diverse questions during the check out.
- ✓ Go to sales admin - settings - sales questions – here it is possible to setup questions with different data types. The following options are available:

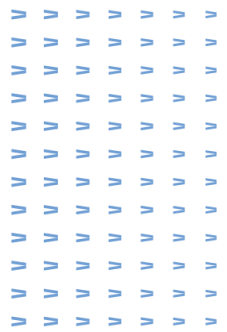

**Sales questions**

Short Name	Description	Data Type
001	Do you love Christmas?	Boolean
002	How old are you?	Number
003	What's your birthdate?	Date/time
004	Do you have any comments you'd like to share?	Text
005	Are you older than 18 years?	Boolean
999	Heeft u een geldig Covid-19 certificaat?	Boolean

- Number = Number
  - Boolean = checkbox
  - Text = free text
  - Date/time = Enter date and time in a calendar
- ✓ Go to sales admin - settings - sales points – select point of sale – select sales questions tab – Select the questions and order the sequence.

**Modify point of sale - Trainer**

Short Name	Description	Data Type	Sequence
<input checked="" type="checkbox"/> 004	Do you have any comments you'd like to share?	Text	3
<input checked="" type="checkbox"/> 001	Do you love Christmas?	Boolean	2
<input checked="" type="checkbox"/> 002	How old are you?	Number	1
<input type="checkbox"/> 003	What's your birthdate?	Date/time	0
<input type="checkbox"/> 005	Are you older than 18 years?	Boolean	0
<input type="checkbox"/> 999	Heeft u een geldig Covid-19 certificaat?	Boolean	0

- ✓ The information is stored within the sales line and can be found under Sales Admin – Sales – visualisation. Select the sale and go into detail and select sales questions tab.

Modify sale

## 1.3 Subscription screen

- ✓ The *Membership info* screen has been updated to visualise additional information and provide several useful new features:

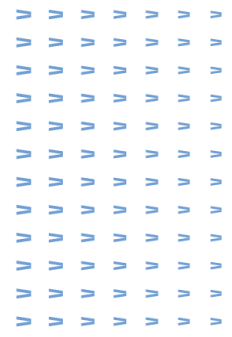

o If a card has multiple valid and active subscriptions, we provide the function to browse through these subscriptions.

The screenshot shows a software window titled "POS: membership info" with a close button (x) in the top right corner. The main content area displays the following information:

- Membership:** Squash 10x
- Membership holder:** James Collins, Chester Road, 24, NW1 4NP London
- Card holder:** James Collins, Chester Road, 24, NW1 4NP London, 7-1-1980
- Extra information 1, 2, 3:** Three empty rectangular boxes.
- # sessions:** 10
- Period:** 5-1-2024 - 4-5-2024
- Remaining days:** 121
- Remaining sessions:** 10
- Last renewal:**
- Balance e-purse:** 0,00 e
- Balance credits:** 0
- Balance spending credit:** 0,00 e

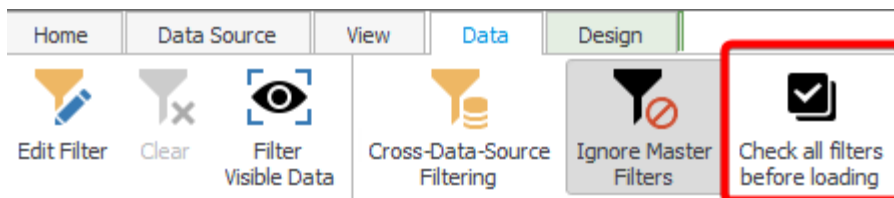

At the bottom of the window is a toolbar with several icons: a red 'X' (close), a grey triangle (warning), a printer icon, a blue speech bubble (info), a blue circular arrow (refresh) which is highlighted with a red square, a plus sign (+), a magnifying glass (search), a clock (refresh), and a blue hand (help).

## 2 Report

### 2.1 Dashboards filters

- ✓ Now function within the dashboards for the filter elements, with nothing checked by default. As a result, the dashboard loads more quickly, and a correct selection can be made immediately.
- ✓ Go to reporting - dashboards - configure – select dashboard – within the tab Data, select to load all filters or not.

## 3 Mailing

### 3.1 Mailing via service plugin

- ✓ Mailings working through service plug-in, an additional security feature was added when changing selections.
- ✓ Run Mailing is automatically deactivated with a notification, it is necessary to create first click so that a visual check can be done. Then the service can be reactivated.

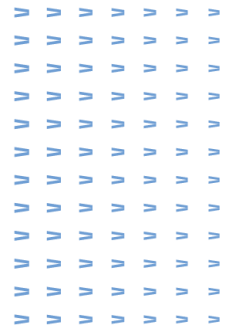

## 4 Webshop

### 4.1 Cookie banner

- ✓ A new cookie banner has been designed to comply with the latest privacy and data protection regulations.

### 4.2 Google Analytics 4

- ✓ Webshop supports the use of Google analytics 4.
- ✓ Manual available online at: <https://help.vintia.com/recreatex/en/google-analytics-4--ga4-.html>

# 5 Timeslot ticketing

## 5.1 Group

- ✓ Price items (tickets) are grouped by item group on the web shop.
- ✓ By default on update, groupings are shown as follows:

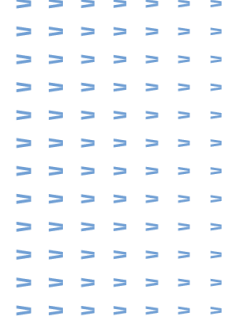

Number of participants

You can fill in maximally 20 participants

Tickets  Uitpas  Memberships

Student	€ 6.00	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>
Child -4 y	€ 1.50	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>
4 -16	€ 4.00	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>
18+	€ 6.00	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>
Uitpas ticket	€ 8.00	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>
With membership 18+	€ 0.00	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>
With membership -18	€ 0.00	<input type="text" value="0"/>	<input type="button" value="↑"/> <input type="button" value="↓"/>

- ✓ Go to timeslot ticketing - exhibitions – select the relevant exhibition - go to the web tab:

Here it is possible to activate the *hide all article groups* . As a result, online the different item groups are displayed as follows:

Available times for 05 January 2024 are:

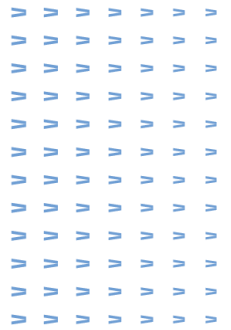

- 12:00 - 13:00 hour  150 of 150 available
- 13:00 - 14:00 hour  150 of 150 available
- 14:00 - 15:00 hour  150 of 150 available
- 15:00 - 16:00 hour  150 of 150 available
- 16:00 - 17:00 hour  150 of 150 available
- 17:00 - 18:00 hour  150 of 150 available

Number of participants

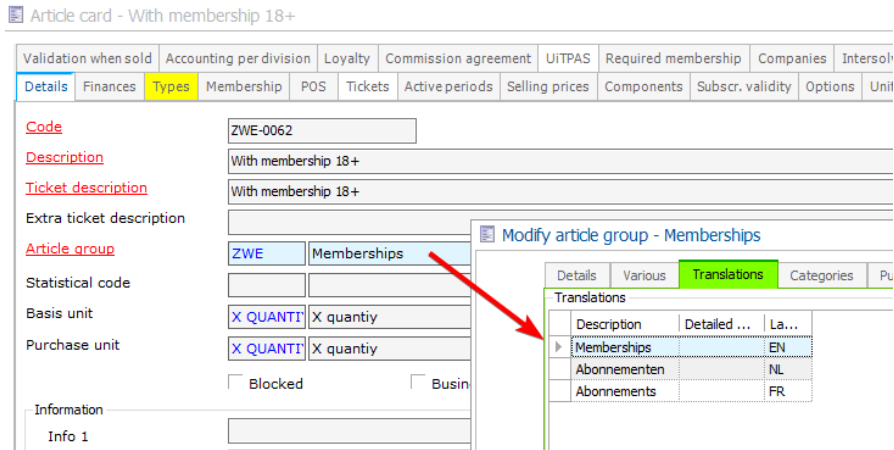

You can fill in maximally 20 participants

Tickets  Uitpas  Memberships

Subtotal € 0.00

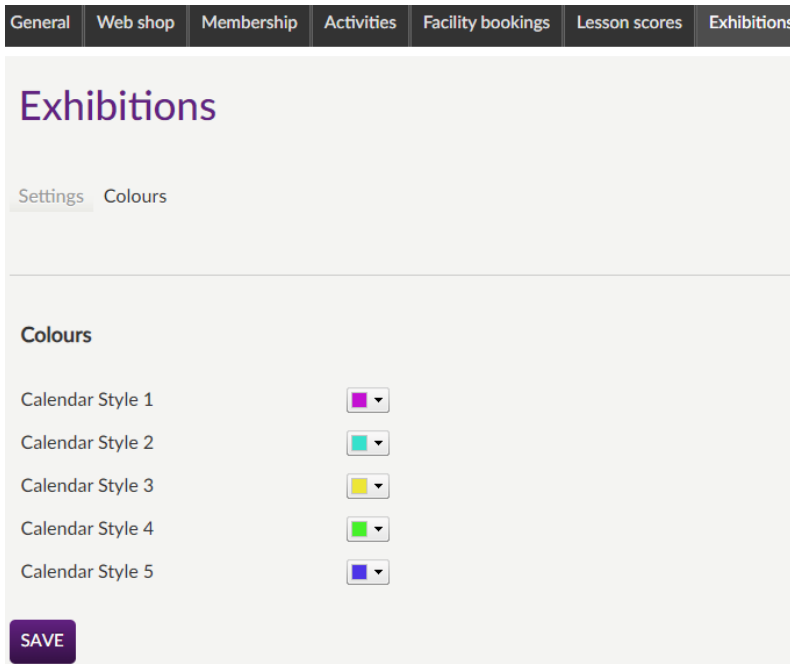

- ✓ On the article group it is possible to set a translation - for this go into detail of the article group - tab translations enter the translation for each language.

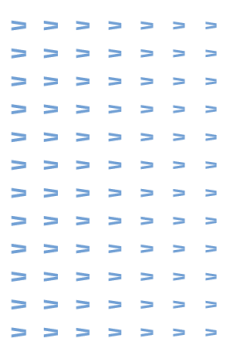

## 5.2 Calendar styling

- ✓ Using the 5 new configurable styles, you can now define custom colors for specific exhibition periods, for example to highlight additional special events organized during a particular exhibition and give the shop customer a clear overview on one screen without having to search for additional information.
- ✓ Go to the web shop manager - exhibition tab - sub tab colors - set the colors.

- ✓ Go to timeslot ticketing - exhibitions - choose the exhibition - web tab - sub tab web calendars.

On this tab it is possible to configure 5 calendars with a calendar style.

Modify exhibition - Panamarenko: the artist

Define a calendar with the desired days and link it to the calendar.

Define a web calendar style with the description and correct type number of the shop.

Web calendar style - No audioguides available

Details

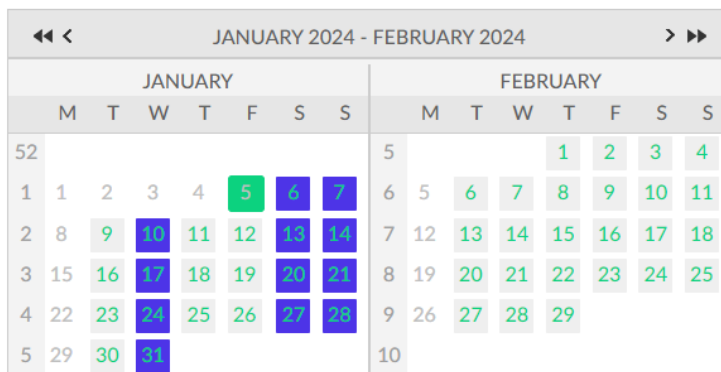

Type:

Description:

Buttons: Opslaan, Verwijderen, Sluiten

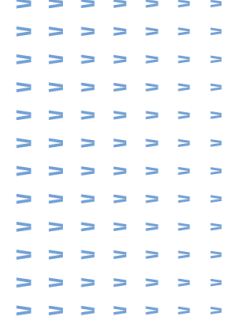

✓ In the shop, the calendar is displayed with the colors and description of the calendar.

Select a date

■ No audio guides available: technical maintenance

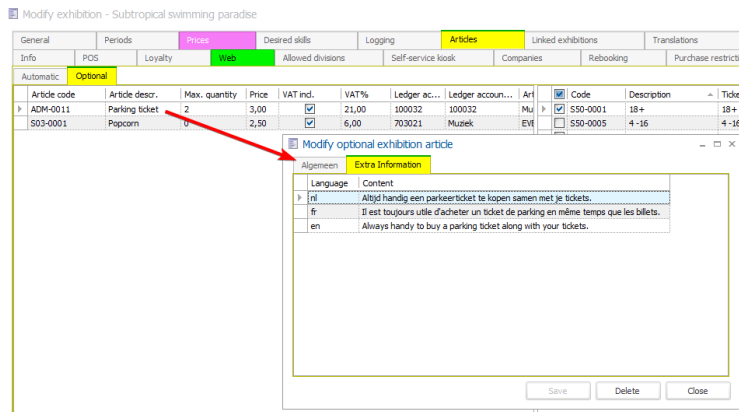

■ Free guides' day

- ✓ Good to know: if one exhibition has multiple overlapping colour-coded events, only the color of the calendar style defined first is visualised in the calendar.

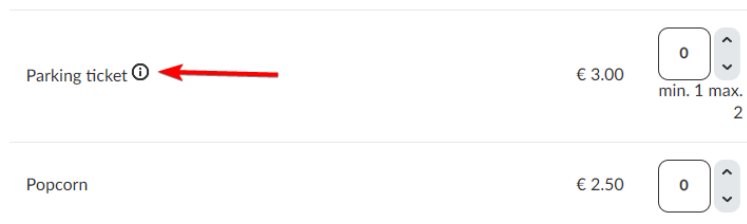

### 5.3 Additional information

- ✓ You now have the ability to add additional information to optional exhibit items and visualize them for customers in the web shop.
- ✓ Go to timeslot ticketing - exhibitions - choose the exhibition - articles tab - sub tab optional. Double left click on the optional item - go to tab extra information and fill in the extra information.

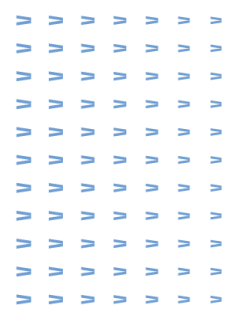

- ✓ In the Webshop, the **i** is displayed next to the item, when the customer clicks on it, they get a pop-up with the additional information.

#### Extra options

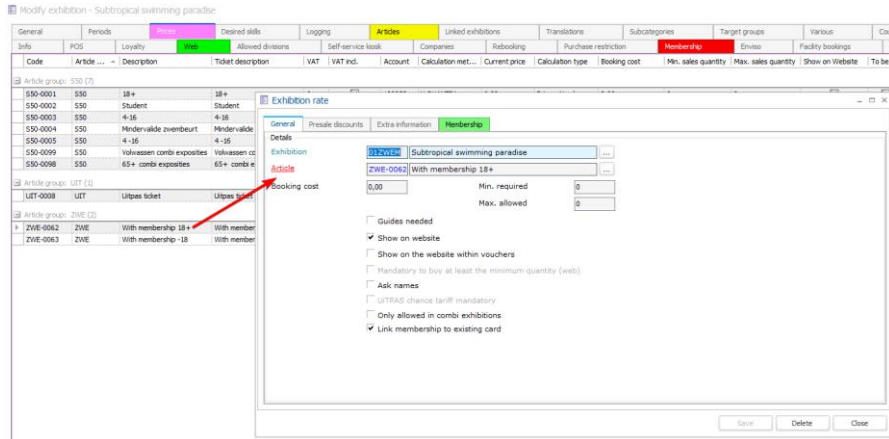

### 5.4 Mandatory Subscription

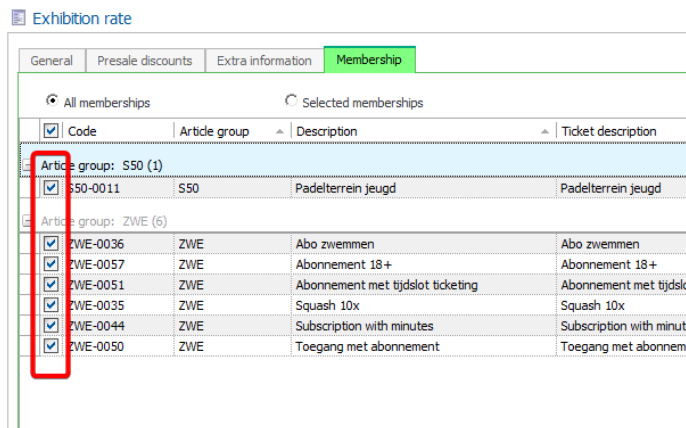

- ✓ Mandatory subscription can now also be configured at the ticket type (item) level rather than at the exhibition level, eliminating the need to create the same exhibit twice.
- ✓ In addition, a check on the remaining number of turns is performed to prevent the customer from ordering more tickets than the number of remaining turns available on the subscription being used. (subscription must work with turns)
- ✓ The feature works as before on the checkout, back office and web shop.

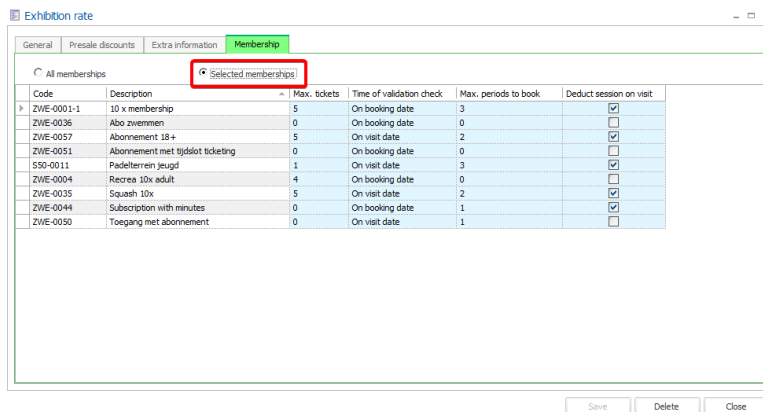

- ✓ Go to time slot ticketing - exhibition - choose the exhibition - prices tab - link a new or existing item to the exhibit.

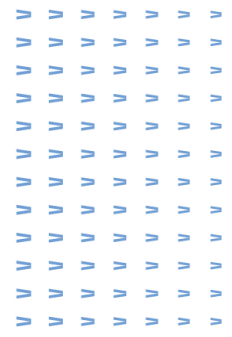

Go to subscription tab and link the subscriptions that may be used:

Go to selected subscriptions, complete necessary control elements such as maximum tickets to, time validation control, maximum periods to be reserved and session deduct on visit.

Good to know, it is possible for the e-ticket to be linked to the existing card.

- ✓ Additional detailed information can be found on the online help:  
<https://help.recreatex.be/new/en/recreatex-8-2-2.html#UUID-81640161-1b19-38f7-c901-209a131a1324>

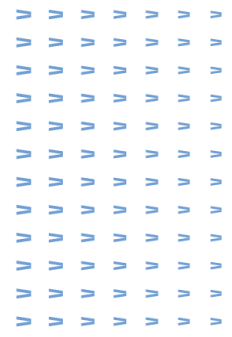

## 5.5 Combo exhibitions

- ✓ It is now possible to combine exhibitions with the goal of offering visitors combo tickets for multiple exhibition visits at favorable prices.
- ✓ Go to Time slot ticketing - combo exhibits - create a new combo exhibition.
- ✓ General tab:

- Registrations allowed over multiple days can be checked if this combo exhibit runs over multiple days.
  - Fixed chronological order can be checked if the exhibits are offered in certain order.
  - If you select a price group, ticket prices are calculated using the prices associated with this price group.
- ✓ Tab Exhibitions:

Modify combi exhibition - Combi day @Ieper

Exhibition code	Exhibition description	Min. time before	Sequence
01ZWEM	Subtropical swimming paradise	0:00	1
01MZG	Meals service Gantner	0:00	2
▶ 23TENTOONSTEL	Exhibition P. Alechinsky	0:00	3

- Make the link to the exhibition, possibly determine minimum time in advance that is needed as well as the sequence.
